By Jonathan Alexander. Thus, the implied inflexibility concerning Fatou and the embassy in both the narrator's natives' and the Derawals' perspectives are the textual evidence that portrays the main challenges of multiculturalism in fictional London. She could think of no other argument. Her feelings for him are ambiguous but just as she is much more than the classic victimised refugee, Andrew has a depth and a realism deftly sketched by Smith in the few brush strokes of this tiny, poised work: a perfect stocking-filler of a book that shows that short-form fiction can be as vibrant and as healthy as any densely realised full-length novel. As part of a collection I'd perhaps look on it more favourably, but in this format the reader is being asked to consider it in isolation, to give it the weight of The Embassy of Cambodia novella, and on those terms for me at least it doesn't stand up.

The main character of the novel is not this one-woman Greek chorus but Fatou, a unique writer and here she has given us a piece of fiction that is very unusual, not fitting the established norms of either larger or shorter fiction. She waved back, and when she finally reached him they surprised each other by holding hands.
