These poems remind you that poetry, at its core, is music, and the poems work to place you in specific times, places, and moments. When Genesis split its gentle night with the mother of mornings, our instincts naturally listened for folks who carve chords that quell chaos, not cause it. It made sense. Brooks' books could easily stand along on their own, but his decision to pull it all together in this collection was not only genius, but probably not something most poets would or should consider. In Gatesman's Hymn, the narrator is a noncombatant--an angel who didn't take sides in Lucifer's Revolt and thus as a neutral sorts out the damned and fits them to apt punishment. It still does. Nowomb,thisroom.Water and gasoline boil above a consuming, cerulean heat. Another one got a tattoo after me to make sure she never forgot a monster could come in any package.
