As they wind their way through what was once a normal world, they end up in a military base where they are joined by Ursalina. I was contemplating so many times to put the book down and then I just decided to keep going because it wasn't THAT bad. There are always rumors about the unknown. CBS was in the midst of developing a new show called Jericho which was too similar to our concept, substituting a nuclear event for a zombie outbreak. Initially I read a short story that eventually became one of the story lines within this book. In most cases, the reviews are necessarily limited to those that were available to us ahead of Devils Wake: A Novel. Then she is given supplies and told to stay locked in the basement until a secret in the midst of apocalypse, they find something no one could have anticipated.
