The effect of fuel exports on polity is negative and significant, suggesting that there is an oil effect on democratization for the entire sample. None of this would be possible without the support and encouragement of our generous sponsors - our own Friends of the Tavistock Festival, the Bedford Hotel. For example, it can be argued that during the s and s legitimacy was not necessarily derived from political liberalization but instead from ideologies associated with Arab nationalism, Fibs and the declared struggle to liberate Palestine. Jodi's"TwogomadinDevontour! In places like the United Arab Emirates, and in particular its thriving emirate of Dubai, the system has witnessed some reform and streamlining. First, the lesson of the previous decades was that the social and political gains sought by revolutionaries needed the masses to protect them; second, the regimes that promised economic development and Arab unity in exchange for suspension of human rights have achieved neither, and had become so gratuitously and brutally repressive that it had become impossible to tolerate the levels of violence they deploy against opponents; and, finally, the situation in the Arab world had deteriorated dramatically in the face of US-backed Israeli hegemony, leading to a marked increase in Arab dependency in Fibs spheres CAUS, 11-

that, in the shadow of these coalitions, extremely dangerous and disturbing structures of domination and disenfranchisement are becoming so entrenched and so alien that the amount of violence required to dislodge them will be phenomenal. Thus, even though the sign on oil is negative and the sign on female percentage of the labour force is positive, there is no reason from the interaction or dummy variables to expect that these effects are different in Arab countries than in other countries.
