Sibling Loss Fact Sheet: Sibling Death and Childhood Traumatic Grief. The National .. After losing a cherished brother or sister, surviving children may feel .

Gone but never forgotten: how to comfort a child whose sibling has died

I write about my life after losing my father and brother within two months. My children outside my childhood home. My brother's bedroom, where, one day in anger, he scrawled "I HATE NIKKI" on the beautiful grasscloth.

I was the middle child of three: the black sheep, the difficult one, the sickly one. In spite of the enormous burden of responsibility, she recalls it as a role she cherished. Those left as only children may feel responsible for their grieving parents, especially if they are struggling with their grief.

My elder sibling was always the most treasured by my parents. As of today, there is scarce research on treatment or prevention efforts. When she died, Jack struggled to understand how God could take away his little sister. Familybeliefscanbesilencing:Inordertocopewithloss,aparentmaydecide
have shown that people with adverse childhood experiences are more likely to suffer from mental- and physical-health disorders, leading people to experience a chronic state of high stress reactivity. Siblings can find themselves living in the shadow of the deceased, and feel isolated and invisible in their grief.
