Wildor, more appropriately, feral honey bees have the potential to be a nuisance. Holding the dowels like a lollipop on a stick paint the Styrofoam balls with yellow paint. Not Helpful 0 Helpful 1. This repair should be conducted by a licensed contractor who is familiar with building code regulations in your area this will not necessarily be the beekeeper or pest control operator who performs the removal.

Just want to make sure I am taking proper steps before getting upset with neighbors and yellow cuddly furry little flying Teddy Bears who fly around making jam and getting pissed on pollen which is well fun since they are shortsighted and tend to fly at you whilst intoxicated.
