He speaks, reads and writes Vietnamese and Pidgin - and has a reasonable grasp of the English language. By constant monitoring of their usage over decades, we begin to understand our wildlife populations, and in some cases, how individual animals move through their territory.

In 'The Eagle's Way', Jim Crumley exploits his years of observing these spectacular African Raptors. You're in preview mode. Learn more - opens in a new window or tab. Sep06, Lee Belbin added it. Many other characters weave their magic throughout the book from the seductive Penelope and loyal loving Fiona.
