Zack from USA I am an analyst and do consulting. When you are mentally strong, you force those thoughts out of your head, and move onto the next question, and the next section, which is your next opportunity to take your score to the next level. Igetthatyourcompanyistryingtomakemoneybutyoucouldbelesscrummyabout
Average Time Spent : 5 mins. Text completion questions contain one to three blanks; single-blank problems are just like the former sentence completion problems; however, when there are multiple blanks, you will be asked to select words from different lists of three potential answers to create a text that makes sense as opposed to the more familiar practice of selecting from pre-paired sets of words.
