Battle on Mercury by Erik Van Lhin. The story is set not long after the Plague, which has drastically reduced the population, terminally disrupted the governance of the United States, but has not overly inconvenienced the survivors in San Francisco. Chuck Svenson was a citizen of the Moon and proud of it! Gray-skinned, horny-limbed, they landed in impregnable space ships, releasing bacteria-laden white powder. A Canticle for Leibowitz won the Hugo Award.

The film was released around the same time as other, similarly-themed 'under a tragic misunderstanding, Richard Marsten has traced a tale of high excitement from the Earth's gleaming satellite space

station to the ragged surface of a hostile Moon.
