## 'Homeward' and the Public-Health Effects of Incarceration - The Atlantic

Many Americans do not realize the sheer number of prison complexes around them because they are out of sight and thus out of mind. But just.

## Access to Mental Health Care and Incarceration | Mental Health America

Report explores why the United States leads the world in incarceration.

## Crime + Investigation

Solitary confinement destroys already fragile minds. Incarceration robs men and women of their youth, regurgitating aged shadows back into.
