Most of the wealth in Dove Creek, West Virginia, is in the earth—in the coal seams that have provided generations with a way of life. One of my favorite scenes shows Cole speaking out, and there's an energy among all these strands: "It was almost like being in church, the people encouraging him, 'That's right, tell him! Ad Choices.

I gave it a chance and after reading it in two sittings over less than 24 hours, I My grandparents and most of my family lived in southeast Ohio, in the foothills of the Appalachian Mountains, and I spent a lot of time there as a kid. I didn't think this was a character that I was going to warm to, but I grew to care about him and his community. Details if other :. His grandfather's fire-and-brimstone preachings carried him in many ways, and I didn't know anything about mountaintop removal, an environmentally destructive form of coal mining, until he saw something about it online.
