The similar evocation of battle scenes in Hugo's novel and Tolstoy's War and Peace. Experimental feature. His cameramen roller-skated through the dancers in the ball scene, synchronising their movements with the lilt of the waltz.

I'm sorry, "with which statement" implies this is a multiple choice question. The story is the story of a group of people living within a society. It arouses an endearing, if childish, passion in young Pyotr Rostov, but this passion could very well lead to his death.
