By taking part in Memory Walk, and joining over walkers united against Become a volunteer for Alzheimer Society's and learn about.

Sandy's Story: Fighting Alzheimer's - CNN

Storytelling can be a way of giving people with dementia a low-stress way to communicate, one that does not rely on their memories. And it can.

NPR Choice page

Today, over 50 million people worldwide live with Alzheimer's disease or another form of dementia. These complex brain diseases leave them unable to think.
