A new instalment in the popular Crime Classics series, featuring the same distinctive design style. This is a gripping examination of the psychology of murder.

## **The Colour of Murder: Julian Symons () | His Futile Preoccupations**

The Colour of Murder opens with a story being related by John Wilkins to a psychiatrist. The circumstances of this are not immediately apparent.

The trouble for me, apart from the weak storyline and predictable outcome, was that the author seems intolerant of everyone and the satire was therefore like scattershot, hitting all, yet pinpointing none effectively. Symons has a vivid and compelling style. Newin. Thank you! There is a murder.

This is a psychological mystery and was ahead of the times when it was first published with This Book. Slowly, however, the story got more interesting as "John's" career moves ahead and he continues to fantasize about his "relationship" with the librarian, even though she has spurned him, even traveling with his wife to Brighton, a supposed second honeymoon, to be close to .
