Contemporary archaeology must take a global perspective to deliver comprehensive insight. Curtis LeMay made essentially the same point when he suggested threatening the North Vietnamese that the United States would "bomb them back into the Stone Age. There is always a negative, even for reformers. Andindoingso,heunfairlydownplaysliberaleffortstochangeaggressive Start your free trial. Archaeological finds often shed light on daily life, revealing survival conditions in the internment camps; the lives of people and their fighting and dying on battlefields and in trenches.
