Shipton, P. Volume 7 Issue 1 October

Countries affected by the "finance curse" are essentially captured states.

Internal Revenue Service. Available Issues October - June

Volume 35 Issue 10 October

As measured against multinationals' power, authority, and relative autonomy, their base erosion and profit shifting "BEPS" tools enable corporates to achieve "effective" tax rates closer to zero, not just in the haven but in all countries with which the haven has tax treaties; putting them on tax haven lists.
