It was the last major Viking incursion into Europe. On the right, one of three sledges that are part of the Oseberg burial site. Child-sized replicas of weapons such as swords, shield and spears were found buried with other grave goods. The raid marks the beginning of the "Viking Age of Invasion", made possible by the Viking longship. The elaborate burial was probably for a Norwegian queen. This year came dreadful fore-warnings over the land of the Northumbrians, terrifying the people most woefully: these were immense sheets of light rushing through the air, and whirlwinds, and fiery dragons flying across the firmament. Around A. The fall of Alt Clut marked a watershed in the history of the realm.
