They bring in Sam Sacks, a night janitor who has a raging nicotine addiction and history of crime. By the looks of it, They run all the computers in the mainframe from one power supply. This show IS sexist towards men. Maisacessados. Booth's grandfather, who raised him and his brother, returns to break the news that Booth's father has died, leaving Booth to deal with his anger towards his father who was never there for. Brennan has a difficult time accepting her father's Ryan O'Neal offer to babysit their infant daughter because of his unpredictable presence in her own childhood. If you think that Booth buying a house for his family in this episode is so sexist, you might as well say that Booth saving Brennan in those episodes is romanticized sexist cliches because the man saves the woman when she could just save herself-but no one ever Crack In the Code about that back .
