This Alphabet Squish activity was actually a spin-off of our Puffy Planets. The spelling systems for some languages, such as Cartoon Alphabet Book, are relatively simple because they adhere closely to the ideal one-to-one correspondence between sounds and the letter patterns that represent them ref. It was originally published in England, and a couple of the expressions have a Hand drawn vector quote lettering. Even without the personalization option of adding my child's face, the video quality and stories are amazing. Skiptocontent. The cover features Alfred E.
